

All the good times

I wish to the Lord I'd never been born
Or died when I was young
I never would a' seen your sparklin' blue eyes
Or heard your lying tongue

**All the good times are past and gone
All the good times are o'er
All the good times are past and gone
Little darlin' don't you weep no more**

Now don't you see that turtle dove
Flyin from pine to pine
It's mournin' for It's own true love
Just like I mourn for mine

Come back, come back my own true love
And stay a while with me
For if ever I've had a friend in this world
You've been a friend to me

All the good times
